EDUCATION

B.TECH [COMPUTER SCIENCE AND ENGINEERING]

AMITY UNIVERSITY NOIDA [2019- PRESENT]

Year of Passing: 2023

SGPA in last semester: 8.00

12TH STANDARD

ST. THOMAS SCHOOL INDIRAPURAM [2017-2019]

Board: CBSE

Percentage: 76.26%

10TH STANDARD

ST. THOMAS SCHOOL INDIRAPURAM [2007- 2017]

Board: CBSE

CGPA: 9.20

PROJECTS / EXPERIENCE

YOUilities

An utility website containing smaller web applications for daily use

YOUilities was made to improve time management by allowing users to have access to smaller web tools all at one place that are used almost daily and have better user interface and experience with innovative neumorphic design.

PassLock

A personal password managing website with security

PassLock helps me to save passwords and IDs from several different accounts. It is quite secure as the javascript files are obfuscated so that the code is non readable and the passwords remain safe. The best part is that I can access it through both my laptop and my mobile, allowing me to copy paste passwords anywhere I want.

Star Wars: Naval Supremacy

An Indie developer game

Developed using Unity 3D and C#, Star Wars: Naval Supremacy is a fan made indie game for PC that is inspired from the famous Star Wars franchise.

HOBBIES & EXTRA-CURRICULAR

GRAPHIC DESIGNING / PHOTO EDITING

Designed phamplets and posters for small businesses & college events
Produced stunning portraits and wallpapers

PHOTOGRAPHER CONFLUENCE 2020

Covered several venues at the conference and clicked meaningful photographs at each event

MEMBER GRAPHIC DESIGN TEAM - AMITY MOZILLA CLUB

Worked with a team of graphic designers to produce professional designs for the club events and workshops

KNOWN LANGUAGES

English, Hindi and French
